STATUTORY PROVISIONS

3. Business and Professions Code ("Code") section 2736 provides, in pertinent part, that the Board may deny a license when it finds that the applicant has committed any acts constituting grounds for denial of licensure under section 480 of that Code.

4. Code section 2761 states, in pertinent part:

> The board may take disciplinary action against a certified or licensed nurse or deny an application for a certificate or license for any of the following:
>
> (a) Unprofessional conduct . . .
>
> . . . .
>
> (4) Denial of licensure, revocation, suspension, restriction, or any other disciplinary action against a health care professional license or certificate by another state or territory of the United States, by any other government agency, or by another California health care professional licensing board. A certified copy of the decision or judgment shall be conclusive evidence of that action.
>
> . . . .
>
> (f) Conviction of a felony or of any offense substantially related to the qualifications, functions, and duties of a registered nurse, in which event the record of the conviction shall be conclusive evidence thereof . . .

5. Code section 2762 states, in pertinent part:

> In addition to other acts constituting unprofessional conduct within the meaning of this chapter [the Nursing Practice Act], it is unprofessional conduct for a person licensed under this chapter to do any of the following:
>
> . . . .
>
> (b) Use any controlled substance as defined in Division 10 (commencing with Section 11000) of the Health and Safety Code, or any dangerous drug or dangerous device as defined in Section 4022, or alcoholic beverages, to an extent or in a manner dangerous or injurious to himself or herself, any other person, or the public or to the extent that such use impairs his or her ability to conduct with safety to the public the practice authorized by his or her license.
>
> (c) Be convicted of a criminal offense involving the prescription, consumption, or self administration of any of the substances described in subdivisions (a) and (b) of this section, or the possession of, or falsification of a record pertaining to, the substances described in subdivision (a) of this section, in which event the record of the conviction is conclusive evidence thereof . . .

///

6. Code section 2765 states:

> A plea or verdict of guilty or a conviction following a plea of nolo contendere made to a charge substantially related to the qualifications, functions and duties of a registered nurse is deemed to be a conviction within the meaning of this article. The board may order the license or certificate suspended or revoked, or may decline to issue a license or certificate, when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code allowing such person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information or indictment.

7. Code section 480 states, in pertinent part:

> (a) A board may deny a license regulated by this code on the grounds that the applicant has one of the following:
>
> (1) Been convicted of a crime. A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code. . . . .
>
> (3)(A) Done any act that if done by a licentiate of the business or profession in question, would be grounds for suspension or revocation of license.
>
> (B) The board may deny a license pursuant to this subdivision only if the crime or act is substantially related to the qualifications, functions, or duties of the business or profession for which application is made . . .

FIRST CAUSE FOR DENIAL

(Criminal Convictions)

8. Respondent's application is subject to denial pursuant to Code sections 2736, 2761, subdivision (f), and 480, subdivisions (a)(1) and (a)(3)(A), in that Respondent was convicted of crimes which are substantially related to the qualifications, functions, and duties of a registered nurse, as follows:

a. On or about October 19, 1998, in the criminal proceeding titled *State of Michigan v. Katie Marie Rekucki* (76th Jud. Dist. Ct. Michigan, 1998, Case No. 98A28560), Respondent pled guilty to possession of an altered driver's license, a misdemeanor. The circumstances of the crime are as follows: On or about October 6, 1998, Respondent was pulled over for a routine traffic violation. When Respondent provided her driver's license to the police

officer, the officer noticed that Respondent had a second license in her wallet, which had been altered.

b. On or about April 8, 2005, in Phoenix Municipal Court, Case No. 1337695, Respondent pled guilty to misdemeanor DUI. The circumstances of the crime are as follows: On or about March 4, 2005, an officer with the Phoenix Police Department observed Respondent exit a parking lot in her Volkswagen and drive the vehicle in the wrong direction on a one way street. When the officer pulled Respondent's vehicle over, he observed that Respondent had an odor of alcohol coming from her breath. Later, Respondent underwent field sobriety tests and breath tests. The breath tests revealed that Respondent had a BAC of .157 and .144 percent.

SECOND CAUSE FOR DENIAL

(Use of Alcoholic Beverages to an Extent or in a Manner Dangerous or Injurious to Oneself and the Public)

9. Respondent's application is subject to denial pursuant to Code sections 2736, 2761, subdivision (a), 2762, subdivision (b), and 480, subdivision (a)(3)(A), on the grounds of unprofessional conduct, in that on or about March 4, 2005, Respondent used alcoholic beverages to an extent or in a manner dangerous or injurious to herself, others, and the public, as set forth in subparagraph 8 (b) above.

THIRD CAUSE FOR DENIAL

(Conviction Related to the Consumption of Alcoholic Beverages)

10. Respondent's application is subject to denial pursuant to Code sections 2736, 2761, subdivision (a), 2762, subdivision (c), and 480, subdivision (a)(3)(A), on the grounds of unprofessional conduct, in that on or about April 8, 2005, Respondent was convicted of a criminal offense involving the consumption of alcoholic beverages, as set forth in subparagraph 8 (b) above.

FOURTH CAUSE FOR DENIAL

(Disciplinary Action by the Arizona State Board of Nursing)

11. Respondent's application is subject to denial pursuant to Code sections 2736, 2761, subdivision (a)(4), and 480, subdivision (a)(3)(A), on the grounds of unprofessional conduct, in

that she was disciplined by the Arizona State Board of Nursing ("Arizona Board"), as follows: On or about June 26, 2007, pursuant to Consent Agreement and Order No. 0606124 in the disciplinary proceeding titled "In the Matter of Nursing Assistant Certificate No. CNA999995567 issued to: Katie Rekucki", the Arizona Board suspended Respondent's certified nursing assistant certificate for six months. The Board ordered that the suspension would be stayed so long as Respondent remained in compliance with the terms and conditions of the order including, but not limited to, random drug testing, abstain from alcohol and drugs (except for legal prescriptions). A true and correct copy of Consent Agreement and Order No. 0606124 is attached hereto as **Exhibit A** and incorporated herein. Respondent admitted that she was convicted of the crimes set forth above and that she had a history of alcohol and drug use, as follows:

a. On or about December 11, 2006, in an interview with the Arizona Board's investigator, Respondent stated that she used the altered driver's license to get into clubs and drink alcohol. Respondent also stated that she still drinks alcohol, that she consumes the same amount of alcohol that she did prior to her DUI, although the frequency has changed, and that she has been intoxicated about 12 times since her DUI. Respondent initially stated that she did not take any medications, then said that she takes an occasional Valium for cramps about four times a year. Respondent stated that she smoked pot when she was in college in Michigan, that she last used marijuana when she was 20 or 21 years old, that she did cocaine one time when she was 19 years old, and that she had frequent blackouts in her college years.

b. On or about January 4, 2007, in a telephone interview, the Board's investigator asked Respondent what medications she was currently taking. Respondent stated that she was taking Adderall, Valium, and Xanax.

PRAYER

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Board of Registered Nursing issue a decision:

1. Denying the application of Katie Marie Rekucki for a registered nurse license;

ARIZONA STATE BOARD OF NURSING

IN THE MATTER OF NURSING ASSISTANT CERTIFICATE NO. CNA999995567 ISSUED TO: KATIE REKUCKI KATIE REKUCKI RESPONDENT	))))))	**CONSENT AGREEMENT AND ORDER NO. 0606124**

CONSENT AGREEMENT AND ORDER

A complaint charging Katie Rekucki (Respondent") with violation of the Nurse Practice Act has been received by the Arizona State Board of Nursing ("Board"). In the interest of a prompt and speedy settlement of the above-captioned matter, consistent with the public interest, statutory requirements and the responsibilities of the Board, and pursuant to A.R.S. § 41-1092.07 (F)(5), the undersigned parties enter into this Consent Agreement as a final disposition of this matter.

Based on the evidence before it, the Board makes the following Findings of Fact and Conclusions of Law:

FINDINGS OF FACT

1. Respondent is the holder of Certified Nursing Assistant Certificate No. CNA999995567.

2. On or about October 19, 1998, in 76th Judicial District Court, State of Michigan, Respondent, was found guilty and convicted of misdemeanor Altered Driver License and ordered payment of fines.

3. On or about August 25, 2006, in a written explanation to the Board, Respondent stated she was attending college and was given a fake ID by a friend so she could go dancing and get into the nightclubs. Respondent stated she was driving and was pulled over for a traffic issue and the police noticed another license was in her wallet. Respondent stated she was cited for possession of an altered drives license.

4. On or about December 11, 2006, in an interview with Board investigator, Respondent stated she used the altered driver's license to get into clubs and drink alcohol.

5. On or about March 4, 2005, according to Phoenix Police Department report and booking number C133769561, police observed a vehicle driving the wrong direction on a one way street. Police pulled over Respondent and could smell an odor of alcohol. Police performed a sobriety test with BAC results of .157. and .144. Respondent was arrested for DUI, and DUI / BAC .08 or greater.

6. On or about April 8, 2005, in case number 1337695, in Phoenix Municipal Court, Phoenix Municipal Court in Phoenix, Arizona. Respondent pled guilty and was convicted of misdemeanor DUI. Respondent was ordered payment of fines and 10 days jail served with 9 days suspended upon successful completion of SASS.

7. On or about December 11, 2006, in an interview with the Board Investigator, Respondent stated she drinks occasionally about once every one or two weeks and consumes three or four drinks. Respondent stated she usually drinks vodka and soda. Respondent stated that since her DUI, the amount of alcohol has not changed, but the frequency has. Respondent stated within the last twelve months she has been intoxicated about 12 times. When asked, Respondent initially stated she does not take any medications, then said she takes an occasional Valium for cramps when she has her menstrual cycle, which is four times a year. Respondent stated she smoked pot when she was in college in Michigan over six years ago. Respondent stated the last time she used Marijuana was when she was 20 or 21 years old on weekends or at parties. She stated she did cocaine one time when she was 19 years old which was the last time she used it. Respondent acknowledged having frequent blackouts in her college years.

8. On or about January 4, 2007, in a telephonic interview, the Board Investigator asked Respondent what medication she was currently taking. Respondent stated she was taking Adderall and Valium on occasion. Respondent was asked if she has taken any other medication within the last five years. Respondent stated she currently takes Xanex for anxiety. She stated her medications were prescribed by her regular physician.

CONCLUSIONS OF LAW

1. Pursuant to A.R.S. §§ 32-1606, 32-1663, and 32-1664, the Board has subject matter and personal jurisdiction in this matter.

2. The conduct and circumstances described in the Findings of Fact constitute violations of A.R.S. §§ 32-1663 (E) as defined in 32-1601(d)(h) and (j) amended 2002 and hereafter cited as A.R.S. § 32-1601(d)(h), (j) and A.A.C. R4-19-814 (B) (14). (Adopted effective December 5, 2005)

3. The conduct and circumstances described in the Findings of Fact constitute sufficient cause pursuant to A.R.S. § 32-1646(A)(4) to revoke, suspend or take other disciplinary action against the Certified Nursing Assistant Certificate of Respondent to practice as a certified nursing assistant in the State of Arizona.

Respondent admits the Board's Findings of Fact and Conclusions of Law. In lieu of a formal hearing on these issues, Respondent agrees to issuance of the following Order and waives all rights to a hearing, rehearing, appeal, or judicial review relating to this Order.

Respondent understands that the term "Order" used throughout this document refers to all pages of the Order including Findings of Fact, Conclusions of Law and all terms and conditions and paragraphs of the Order.

Respondent understands that all investigative materials prepared or received by the Board concerning these violations and all notices and pleadings relating thereto may be retained in the Board's file concerning this matter.

Respondent understands that those admissions are conclusive evidence of a prior violation of the Nurse Practice Act and may be used for purposes of determining sanctions on any future disciplinary matter.

Respondent understands the right to consult legal counsel prior to entering into the Order and such consultation has either been obtained or is waived.

Respondent understands that this Consent Agreement is effective upon its acceptance by the Board and by Respondent as evidenced by the respective signatures thereto. Respondent's signature obtained via facsimile shall have the same effect as an original signature. Once signed by the Respondent, the agreement cannot be withdrawn without the Board's approval or by stipulation between the Respondent and the Board's designee. The effective date of this Order is the date the Consent Agreement is signed by the Board and by Respondent. If the Consent Agreement is signed on different dates, the later date is the effective date.

ORDER

In view of the above Findings of Fact, Conclusions of Law and the consent of Respondent, the Board hereby issues the following Order:

A. Respondent's consent to the terms and conditions of the Order and waiver of public hearing are accepted.

B. Respondent's Certified Nursing Assistant Certificate No. CNA999995567 is hereby **suspended**; however, the **suspension is stayed** for as long as Respondent remains in compliance with this Order.

C. If the Respondent is non-compliant with any of the terms of the Order during the 6-month stayed suspension period, the stay of the suspension shall be lifted and the Respondent's certificate shall be automatically suspended for a minimum of 6 months. The Board or its designee, in its sole discretion, shall determine noncompliance with the stayed portion of the Order. Respondent waives any and all rights to a hearing, rehearing or judicial review of any suspension imposed pursuant to this paragraph.

D. This Order becomes effective upon the Board and Respondent's acceptance of the Order. The effective date is the date the Order is signed by the Board and Respondent. If the Order is signed on different dates, the later date is the effective date.

E. If Respondent is convicted of a felony, Respondent's certified nursing assistant certificate shall be automatically revoked for a period of five years. Respondent waives any and all rights to a hearing, rehearing or judicial review of any revocation imposed pursuant to this paragraph.

F. At any time Respondent is required by terms of the Order to provide a copy of the Order to another individual or facility the Respondent must provide all pages of the Order.

G. The stayed suspension is subject to the following terms and conditions:

TERMS OF STAYED SUSPENSION

1. Renewal of Nursing Assistant Certification

In the event the nursing assistant certificate is scheduled to expire during the term of this Order, Respondent shall apply for renewal of the nursing assistant certificate and pay the applicable fees.

2. Counseling Sessions

Within thirty days of the effective date of this Order, Respondent shall make an appointment to undergo a six months of bi-weekly individual psychotherapy with a board approved professional who specializes in treating persons with concurrent psychiatric and substance abuse disorders. Respondent shall immediately execute release of information form(s) to allow the professional provider to communicate information with the Board or its designee. Prior to the counseling sessions, Respondent shall furnish a copy of this Consent Agreement and Order to include Findings of Fact Conclusions of Law, to the professional provider who shall verify receipt of the Consent Agreement and Order and any other materials provided in a written report on letterhead to the Board. Respondent shall direct the professional provider to provide a report to the Board summarizing the each session, starting within thirty days after the first completed appointment of the first session. Respondent shall direct the professional provider to provide the Board with a written documentation reflecting satisfactory completion of the recommended intervention and that the provider has no other behavioral and substance use concerns or recommendations for further treatment or evaluations.

3. Quarterly Reports

Within 7 days of each assigned quarterly reporting due date, if Respondent is working in any position which requires a certified nursing assistant certificate, Respondent

shall cause every employer Respondent has worked for during the quarter to provide to the Board, in writing, employer evaluations on the Board-approved form. The first report is due on the first assigned quarterly report due date after the effective date of the Order. Receipt of notice of an unsatisfactory employer evaluation, verbal or written warning, counseling or disciplinary action any of which pertain to patient care practice issues, or termination from a place of employment shall be considered as noncompliance with the terms of the Order. In the event Respondent is not working in a position which required CNA certification, or attending school during any quarter or portion thereof, Respondent shall provide to the Board, in writing, a self-report describing other employment or activities on the Board-approved form. Failure to provide employer evaluations/or self-reports within 7 days of the reporting date shall be considered as noncompliance with the terms of the Order.

4. Drug Testing

Within 7 days of the effective date of this Order, Respondent shall enroll in a program that meets Board criteria for random drug testing. Random drug testing shall be done at a minimum of once per month and may be required more frequently as requested by the Board or its designee. Respondent shall notify the drug testing laboratory and the Board, **in writing**, of unavailability to test before the anticipated absence. If Respondent is unable to submit a specimen on a date requested due to illness, Respondent must provide in writing within 7 days of the missed specimen, documentation from a medical provider who has personally seen Respondent on the day of the requested drug test confirming that Respondent was not physically able to report to the laboratory for drug testing. In addition, any occurrence of the following conditions constitutes noncompliance: a positive drug test showing evidence of any drug other than an authorized drug; submission of a specimen where the integrity has been compromised, as indicated by the presence of adulterants; failure to submit to a drug test on a day when a drug test

has been requested by either the Board, its designee, or the laboratory; and submission of a urine sample that is below the acceptable volume or temperature to be tested. A positive drug test showing evidence of any drug other than an authorized drug shall result in immediate notification of Respondent's employer by the Board.

5. Abstain from Alcohol Use

Respondent shall completely abstain from the use of alcohol.

6. Abstain from Drug use/Proof of RX

Respondent shall completely abstain from the use or possession of controlled substances, and dangerous drugs as defined by law, or any drugs requiring a prescription.

Orders prohibiting Respondent from personal use or possession of controlled substances or dangerous drugs do not apply to medications lawfully prescribed to Respondent for an illness or condition by a medical provider. During the duration of this Order, Respondent shall select one medical provider to coordinate his health care needs and to be aware of all prescriptions utilized. Within 7 days of the effective date of this Order, Respondent shall cause all medical providers who have prescribed medications which are currently being used by the Respondent daily or on an as needed basis to provide in writing, on letterhead, verification of knowledge of Respondent's history of substance use, awareness of Respondent's Consent Agreement and Order with the Board, and documentation of current medications prescribed for Respondent. Respondent shall execute all release of information form(s) as required by the Board or its designee so that Respondent's medical providers shall be able to communicate information with the Board. Prior to receiving treatment from any other medical provider(s), Respondent shall notify the medical provider(s) of Respondent's history of substance use and of the existence of the Order. DURING THE COURSE OF THE ORDER RESPONDENT SHALL

CAUSE ANY AND ALL PROVIDERS TO NOTIFY THE BOARD OF THEIR AWARENESS OF RESPONDENT'S HISTORY OF SUBSTANCE USE, BOARD ORDER, AND NOTIFICATION OF ANY MEDICATIONS ORDERED BY THE PROVIDER. THE NOTIFICATION SHALL BE MADE IN WRITING WITHIN ONE WEEK OF THE PROVIDER'S ISSUANCE OF THE PRESCRIPTION.

If Respondent has a lawful prescription for a controlled substance, Respondent shall cause his prescribing provider to provide monthly reports to the Board regarding the continued need for the prescribed narcotic or mood-altering medications within 7 days of the 30th day of each month. The Board or its designee may, at any time, request the provider to document the continued need for prescribed medications. Such report from the provider shall be received by the Board within 14 days of the request. Respondent shall keep a written record of medications taken, including over-the-counter drugs, and produce such record upon request by the Board or its designee.

7. Notification of Practice Settings

All current settings in which Respondent practices as CNA shall be provided with a copy of this Consent Agreement and Order to include Findings of Fact and Conclusions of Law, and Order and informed of the status of Respondent's certificate within seventy-two hours of the effective date of this Order.

Any future settings in which Respondent accepts employment shall be provided with a copy of this Consent Agreement and Order to include the Findings of Fact, Conclusions of Law and informed of the status of Respondent's certificate at or before the date of hire. Within seventy-two hours of Respondent's employment, Respondent shall cause his immediate supervisor to inform the Board, in writing and on employer letterhead, acknowledgment of the employer's receipt of a copy of this Consent Agreement and Order. In

the event Respondent is attending a nursing program, Respondent shall provide a copy of this Consent Agreement and Order to include the Findings of Fact and Conclusions of Law to the Program Director. Respondent shall cause the Program Director to inform the Board, in writing and on school letterhead, acknowledgment of the program's receipt of a copy of the Order and the program's ability to comply with the conditions of the Order.

8. Release of Information Forms

Respondent shall sign all release of information forms as required by the Board or its designee and return them to the Board within 10 days of the Board's written request. If Respondent fails to execute the releases, her certificate shall automatically be suspended.

9. Interview with the Board or it's Designee

Respondent shall appear in person or telephonically for interviews with the Board or its designee upon request at various intervals and with at least 2 days notice.

10. Change of Employment/Personal Address/Telephone Number

Respondent shall notify the Board, in writing, within 7 days of any change in nursing employment, personal address or telephone number.

11. Obey All Laws

Respondent shall obey all federal, state and local laws, and all laws/rules governing the practice of a certified nursing assistant in this state. Offenses such as driving under the influence may subject Respondent to further disciplinary action, however, commission of minor civil traffic violations are excluded.

12. Costs

Respondent shall bear all costs of complying with this Order.

13. Violation of Stayed Suspension

If during the stayed suspension, Respondent is non-compliant with the terms of the Order in any way, the stay of suspension shall be lifted and Respondent's certificate shall be automatically suspended. If a complaint is filed against Respondent during the stayed suspension, the Board shall have continuing jurisdiction until the matter is final, and the period of stayed suspension shall be extended until the matter is final.

14. Voluntary Surrender of Certificate

Respondent may, at any time this order is in effect, voluntarily request surrender of her certificate.

15. Completion of Order

Following successful completion of the 6-month stayed suspension, Respondent shall make a request, in writing, to the Board for review of the terms of suspension and to determine the status of Respondent's nursing assistant certification.
