CALIFORNIA BOARD OF REGISTERED NURSING APPLICATION FOR LICENSURE AS A REGISTERED NURSE

General Information and Instructions

By Endorsement

I. **INTRODUCTION**

To qualify for endorsement into California as a registered nurse, you must hold a current and active license in another state or Canada, have completed an educational program meeting all California requirements, **and** have passed the national licensure examination or acceptable five-part Canadian examination. The Canadian Comprehensive Examination is not acceptable. *If you do not possess these qualifications, you must apply for licensure by examination.* Please contact the Board of Registered Nursing at (916) 322-3350 to request an application for examination or download the application from the Board's web site at www.rn.ca.gov.

Note: If you are seeking licensure in California as a Licensed Vocational Nurse, please contact the Board of Vocational Nursing and Psychiatric Technicians at (916) 263-7800. You may also visit their web site at www.bvnpt.ca.gov.

PLEASE NOTE THE FOLLOWING IMPORTANT ISSUES:

- Processing times may vary, depending on when the Board receives documents from schools, agencies, and other states or countries. The time to process an application indicating a prior conviction(s) may take longer than other applications. Delays may also occur with the fingerprint processing by the Department of Justice (DOJ) and/or the Federal Bureau of Investigation (FBI).
- If you change your name and/or address after submitting an application for licensure, you must notify the Board immediately in order to receive current information. Applicants are required to submit legal documentation of a name change to the Board. Examples of acceptable forms of legal documentation are a birth certificate, marriage certificate, divorce decree, and/or court documents, social security card or passport. A copy of a driver's license is not acceptable.
- Pending application files are not public record, therefore an applicant must sign and submit a release of information before the Board will release information to the public (employers, relatives, or other third parties).
- Once you are licensed, your address of record must be disclosed to the public upon request, under California law.
- Applicant fees are earned; therefore, fees are non-refundable even if an applicant is found ineligible.

II. REPORTING PRIOR CONVICTIONS OR DISCIPLINE AGAINST LICENSES

Applicants are required under law to report all misdemeanor and felony convictions. "Driving under the influence" convictions must be reported. Convictions must be reported even if they have been adjudicated, dismissed or expunged or even if a court ordered diversion program has been completed under the Penal Code or under Article 5 of the Vehicle Code. Also, all disciplinary action against an applicant's registered nurse, practical nurse, vocational nurse or other health care related license or certificate must be reported. Also any fine, infraction, or traffic violation over \$300.00 must be reported.

Failure to report prior convictions or disciplinary action is considered falsification of application and is grounds for denial of licensure or revocation of license.

When reporting prior convictions or disciplinary action, **applicants are required to provide a full written explanation of:** circumstances surrounding the arrest(s), conviction(s), and/or disciplinary action(s); the date of incident(s), conviction(s) or disciplinary action(s); specific violation(s) (cite section of law if convicted), court location or jurisdiction, sanctions or penalties imposed and completion dates. Provide **certified** copies of arrest and court documents and for disciplinary proceedings against any license as a RN or any health-care related license; include copies of state board determinations/decisions, citations and letters of reprimand.

NOTE: For drug and alcohol convictions include documents that indicate blood alcohol content (BAC) and sobriety date.

To make a determination in these cases, the Board considers the nature and severity of the offense, additional subsequent acts, recency of acts or crimes, compliance with court sanctions, and evidence of rehabilitation.

The burden of proof lies with the applicant to demonstrate acceptable documented evidence of rehabilitation. Examples of rehabilitation evidence include, but are not be limited to:

- Recent, dated letter from applicant describing the event and rehabilitative efforts or changes in life to prevent future problems or occurrences.
- Recent and signed letters of reference on official letterhead from employers, nursing instructors, health professionals, professional counselors, parole or probation officers, Support Group Facilitators or sponsors, or other individuals in positions of authority who are knowledgeable about your rehabilitation efforts.
- Letters from recognized recovery programs and/or counselors attesting to current sobriety and length of time of sobriety, if there is a history of alcohol or drug abuse.
- Submit copies of recent work evaluations.
- Proof of community work, schooling, self-improvement efforts.
- Court-issued certificate of rehabilitation or evidence of expungement, proof of compliance with criminal probation or parole, and orders of the court.

All of the above items should be mailed **directly** to the Board by the individual(s) or agency who is providing information about the applicant. Have these items sent to the Board of Registered Nursing, Licensing Unit, P.O. Box 944210, Sacramento, CA 94244-2100.

It is the responsibility of the applicant to provide sufficient rehabilitation evidence on a timely basis so that a licensing determination can be made. All evidence of rehabilitation must be **submitted prior to being found eligible for licensure.**

An applicant is also required to immediately report, in writing, to the Board any conviction(s) or disciplinary action(s) which occur between the date the application was filed and the date that a California registered nursing license is issued. Failure to report this information is grounds for denial of licensure or revocation of license.

NOTE: The application must be completed and signed by the applicant under the penalty of perjury.

III. **INSTRUCTIONS FOR SUBMITTING A FINGERPRINT CARD OR LIVE SCAN PROCESS**

All applicants for licensure by endorsement are required to complete and submit one (1) set of fingerprints. All requests from the Board of Registered Nursing for background checks of applicants must be submitted to the Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI) either by Live Scan **or** on an Applicant Fingerprint Card (Hard Card). The Applicant Fingerprint Card (Hard Card) **or** Request for Live Scan Service Applicant Submission form (BCII 8016) must be submitted in the **same name** as shown on your application for endorsement.

There are **two (2) methods available** for completing the fingerprint requirement:

Method 1 -- Live Scan Process

For applicants residing in or near California, the Board of Registered Nursing recommends you use Live Scan to submit your fingerprints in order to shorten the time for your fingerprint process. Applicants must complete and submit the Request for Live Scan Service Applicant Submission form (BCII 8016) at a Live Scan site. Simply download 3 copies from our web page, complete the sections marked with a red X, and take it to a Live Scan site along with your fee for processing.

Processing Fee for Live Scan Service:

The fee for the Live Scan service varies, so please contact the Live Scan site directly to obtain the correct information. To see a listing of the California Department of Justice (DOJ) applicant Live Scan agency locations, fees and hours of operation, go to www.ag.ca.gov/fingerprints/publications/contact.php.

When using the Live Scan process, the fingerprint processing fee must be paid at the Live Scan site when you provide your live scan fingerprints. **Do not send your fingerprint processing fee to the Board.** Please be aware that these processing fees are in addition to the "rolling" fee charged by the Live Scan operator.

Once your fingerprints have been scanned and you have completed the sections marked with a red X, the Live Scan operator will complete the downloaded copies and return the second and third copies to you. **The second copy of this form must be submitted to the Board with your application as proof of complying with the Fingerprint requirement in order for the Board to process your application.** You may retain the third copy for your records.

Using Live Scan can speed your licensure because the Board receives fingerprint results from this new technology much quicker than through the manual fingerprint card process. On average, Live Scan results take 1-2 weeks, while manual fingerprint cards can take 1-2 months. (Processing times at DOJ and FBI vary.)

Method 2 -- Applicant Fingerprint Card (Hard Card)

Applicants must complete all items which are marked by a black "X" on the card. To facilitate prompt and accurate processing of the fingerprint card by the DOJ and FBI, **type or print legibly in BLACK INK** all requested information on the card. If any color other than black is used, the card will be rejected and another card will have to be completed and submitted.

Use the abbreviations listed below for the physical description items:

- **Height (HGT)** - Express in feet and inches. Do not use fractions of an inch; round off to the nearest inch. DO NOT USE THE METRIC SYSTEM. Correct example: 5' 9".
- **Weight (WGT)** - Express in pounds. Do not use fractions of a pound; round off to the nearest pound. DO NOT USE THE METRIC SYSTEM. Correct example: 139 lbs.

III. INSTRUCTIONS FOR SUBMITTING A FINGERPRINT CARD OR LIVE SCAN PROCESS - (continued)

- **Color of EYES** - Black **BLK** Gray **GRY**
 Blue **BLU** Green **GRN**
 Brown **BRN** Hazel **HZL**

- **Color of HAIR** - Bald **BAL** Gray **GRY**
 Black **BLK** Red/ Auburn **RED**
 Blonde **BLN** Sandy **SDY**
 Brown **BRN** White **WHI**

Each applicant **MUST** have his/her fingerprints imprinted only in BLACK INK on fingerprint card. Fingerprints should be taken at a local law enforcement agency. There may be a fee for this service. We advise that you should call first as to a convenient time.

DO NOT FOLD FINGERPRINT CARD. Use a 9" X 12" envelope to return your completed application and fingerprint card with fees. Write "DO NOT FOLD" on the envelope. If your card is folded, you will need to complete and submit a new fingerprint card. **THIS WILL CAUSE A DELAY IN DETERMINING YOUR ELIGIBILITY FOR LICENSURE.**

Fingerprint Processing Fee for Applicant Fingerprint Card (Hard Card):

The fingerprint processing fee is in addition to the application fee. This fee is non-refundable and is subject to change by the DOJ and FBI without notice.

The appropriate fingerprint processing fee is payable to the Board of Registered Nursing by check or money order in U.S. currency. The application fee and fingerprint fee may be combined and submitted to the Board with one check or money order in U.S. currency. (See Licensure by Endorsement fee schedule.)

There must be a clearance of the fingerprinting requirement before a permanent registered nurse license will be issued to endorsement applicants.

IV. **SOCIAL SECURITY NUMBER & TAX INFORMATION**

Disclosure of your social security number is mandatory. Section 30 of the Business and Professions Code and Public Law 94-455 (42 USCA 405 (c)(2)(C)) authorize collection of your social security number. Your social security number will be used exclusively for tax enforcement purposes, for purposes of compliance with any judgment or order for family support in accordance with Section 11350.6 of the Welfare and Institutions Code, or for verification of licensure or examination status by a licensing or examination entity which utilizes a national examination where licensure is reciprocal with the requesting state. **If you fail to list your social security number, your application for initial or renewal license will not be processed.** You will also be reported to the Franchise Tax Board, which may assess a \$100 penalty against you. Questions regarding the Franchise Tax Board should be directed to (800) 852-5711.

ALERT: Effective July 1, 2012, the Board of Registered Nursing is required to deny an application for licensure and to suspend the license/certificate/registration of any applicant or licensee who has outstanding tax obligations due to the Franchise Tax Board (FTB) or the State Board of Equalization (BOE) and appears on either the FTB or BOE's certified lists of top 500 tax delinquencies over \$100,000. (AB 1424, Perea, Chapter 455, Statutes of 2011).

V. **GENERAL INFORMATION ON LICENSURE BY ENDORSEMENT**

Endorsement is the licensure method for registered nurses who have previously been licensed in another state in the United States and for some Canadian registered nurse licensees. To qualify for licensure by endorsement, you must meet **all** of the following requirements:

1. Completion of the nursing program in an accredited school of professional nursing which meets **all** of California's educational requirements. If you are deficient in any requirement, you **must** make up the deficiency prior to becoming licensed.
2. Passage of the National Council Licensure Examination (NCLEX) or the State Board Test Pool Examination (SBTPE) for Registered Nurses in the United States, or the five-part licensing examination in Canada. **The Canadian Comprehensive Examination is not acceptable.** An English comprehension examination is required if you did not take the Canadian examination in English. Passage of the Test of English as a Foreign Language (TOEFL) is acceptable for English competency. TOEFL is located at P.O. Box 6151, Princeton, NJ 08541-6151; phone number (609) 771-7100. You may also visit their web site at www.toefl.org.

International graduates who have not passed one of the acceptable licensing examinations are not eligible for licensure by endorsement and should contact the Board at (916) 322-3350 to request an application for licensure by examination or download the application from the Board's web site at www.rn.ca.gov.

3. Possession of a current and active license from another state in the United States or from Canada. (If you do not have a current license in the other state, it must be updated prior to California licensure.)

VI. **VERIFICATION OF LICENSE**

There are two (2) methods available for obtaining license verification:

Method 1 – Verification of License form

The state board from which you are submitting proof of clear, current and active RN licensure must complete the enclosed **Verification of License** form. Be sure to include the processing fee that is required by that state.

OR

Method 2 – Nursys® License Verification Request Application

If you are licensed as an RN in a state that is a member of the **Nursys®** verification system, visit www.nursys.com to complete the online verification request application process. Nursys.com applicants can pay by credit card using the secure and private payment system. Once the application is complete and the credit card payment approved, the verification is posted immediately. The fee for verification of an RN license is \$30.

For International Graduates: In addition to obtaining license verification from the state where you hold a current and active license, you must also obtain verification of passage of the appropriate licensing examination from the board of nursing where you took the examination (NCLEX-RN, SBTPE, or five-part licensing examination in Canada).

No telephone verifications will be made. Official license verification must be received in writing from the other state board before a temporary or permanent license can be issued by this board.

VII. REQUEST FOR TRANSCRIPT

Mail the **Request for Transcript** form to your nursing school(s) with the fee required by the school. **The official transcripts must include all completed coursework and reflect the degree awarded and date conferred.** Transcripts **are not accepted** from applicants or if stamped “issued to student.” Transcripts are required from all colleges you attended that reflect courses required for a degree in nursing, including general education course requirements and all nursing courses.

VIII. TEMPORARY LICENSE

The Board may issue a Temporary License to practice nursing for a period of six months, allowing an applicant to work pending issuance of a permanent RN license.

Temporary Licenses cannot be issued until the processing of the fingerprint card or live scan has been completed by the Department of Justice (DOJ) and Federal Bureau of Investigation (FBI) and the Board has been notified of the results.

To qualify for a Temporary License, the endorsement applicant must submit:

- Appropriate **Fees**.
- **Application for Licensure by Endorsement** including a U.S. Social Security, the request for a Temporary License, and a recent 2” x 2” passport-type photograph.
- One completed **Fingerprint Card (Hard Card) or second copy of the Live Scan Service Applicant Submission form (BCII 8016)**. Additionally, before a Temporary License can be issued, fingerprint results from the DOJ and the FBI must be received and processed by the Board.
- **Verification of License form** from the other state(s) or Canada which must be received by the Board via: sealed envelope from State Board of Nursing or a **Nursys® Verification Request Application** if you are licensed in a state that is a member of the Nursys® verification system as proof of a clear, active, and current RN license.
- If educated outside of the United States, you must submit **official transcripts which include all completed coursework, the degree awarded and date conferred.** Transcripts **are not accepted** from applicants or if stamped “issued to student.” Transcripts are required from all colleges you attended that reflect courses required for a degree in nursing, including general education course requirements and all nursing courses. Transcripts must be reviewed and approved prior to the issuance of a Temporary License.

If you have not received notification of permanent licensure approximately four weeks prior to the expiration of your Temporary License, contact the Board at (916) 322-3350 for instructions on how to apply for a second Temporary License.

IX. ADVANCED PRACTITIONERS/PUBLIC HEALTH NURSES

In order to use the title or hold yourself out as a nurse practitioner, psychiatric/mental health nurse, nurse midwife, nurse anesthetist, clinical nurse specialist or public health nurse, California law requires registered nurses to be certified by the Board. If you wish to practice in one of these areas, please request the applicable additional application for certification.

TO: ALL APPLICANTS EDUCATED OUTSIDE THE UNITED STATES

FROM: CALIFORNIA BOARD OF REGISTERED NURSING

SUBJECT: SUPPLEMENTAL APPLICATION INSTRUCTIONS

Applicants who have graduated from schools outside the United States may face unique problems as they attempt to complete their application for California licensure. This document is intended to provide suggestions and information to assist with those special problems.

Application Submission

The Board strongly recommends that you try to ensure that your application, school transcript(s), and all other required documents reach the Board as soon as possible to prevent delays in issuing an interim permit, temporary or permanent license. In some instances, delays and difficulties may be encountered when requesting documentation for those who have graduated from an international nursing program.

In many cases, the Board must obtain additional information from the school in order to clarify course content and/or curriculum requirements. We may also request clarification for the amount of theory and clinical training completed. Also, additional information is required if the applicant is the first graduate from their school of nursing to apply for California licensure. The schools curriculum, catalogs and/or other documents may be requested to evaluate the programs content (these items are in addition to the individuals nursing transcripts.)

Obtaining additional information from the school may take from one to six months, depending on the responsiveness of the school and allowing for mail time. All requirements must be met in order for an interim permit or permanent license to be issued.

Requesting Transcripts

When submitting the "Request for Transcript" form to your school of nursing, please include the "Breakdown of Educational Program for International Nursing Programs" form. Both forms do not take the place of a complete, official transcript. The transcripts should include all completed coursework (both theoretical and clinical practice). All training documents must come directly from the school of nursing. Training documents from applicants are not acceptable.

Commission of Graduates of Foreign Nursing Schools (CGFNS)

The Board does not require applicants to pass the Commission on Graduates of Foreign Nursing Schools (CGFNS) examination in order to be licensed in California. Although, if you have been evaluated by CGFNS, the Board will accept official copies of your nursing transcripts (including the clinical portion of your training) from this organization. Requests must be made in writing, and the appropriate CGFNS fee must be included for this service.

Translation of International Academic Credentials

For the Board to fairly evaluate compliance with California requirements, any applicant with non-English, non-U.S. academic credentials must provide both 1) original, certified transcripts and 2) certified translations of those original transcripts and academic documents. **Original language transcripts must be forwarded directly from the school of nursing and sent directly to the Board (photocopies are not accepted).** When requesting official transcripts and academic documents, an applicant whose education was completed at an institution in a bilingual country where English is one of the official languages, may be able to avoid the necessity of arranging for a translation by asking the school to generate an English language version of the transcript. Please note that in this instance, the original language transcript must accompany the English translation and be forwarded directly to the Board.

Applicants must have their transcripts translated by an independent, professional translator who is not related to the applicant. Each translator must provide an original declaration with each translation attesting to his/her fluency in the particular language and certifying under penalty of perjury that the translation is complete and accurate to the best of the translator's ability and knowledge. (See attached form.) The Board refers applicants with non-English academic credentials to one of the following sources for translation:

- 1. Translator accredited by the American Translators Association (ATA):** The ATA accredits individual translators by examination. Although accreditation is available only to individuals, ATA membership includes not only individuals but also companies that employ accredited translators. An accredited translator must sign the translation and declaration in the presence of a Notary Public, unless the translation is a service provided by a known translation agency which affixes the document with its own official seal. ATA membership includes accredited translators residing in the US, Canada, Mexico, and overseas. Although the ATA does not make referrals, a listing of accredited translators and member companies is available through its web site at www.atanet.org. The ATA may be reached by phone at 703-683-6100 or by e-mail at ata@atanet.org.
- 2. Certified or registered court interpreter:** Some state court systems offer examinations for certification or registration of court interpreters. In California, the Judicial Council is charged with these functions. Information on court interpreters is available through the Judicial Council at 415-865-7530. General information is available via its web site, www.courtinfo.ca.gov. The Judicial Council has contracted with Cooperative Personnel Services (CPS) for examination and certification of Certified Administrative Hearing and Medical Interpreters. A master list of these interpreters is available at the CPS web site, www.cps.ca.gov, or telephone at 916-263-3600. The court interpreter must sign the translation and declaration in the presence of a Notary Public. Applicants residing outside California but within the United States may call the National Center for State Courts at 757-259-1517 for information on certification and registration of interpreters in other states.

Applicants who present documents in a language for which accredited translators or certified/registered court interpreters are not readily available may require special assistance. The usual next step is to inquire at the nearest consulate representing the nation in which the documents originated.
