

INSTRUCTIONS FOR APPLYING FOR A NURSE PRACTITIONER FURNISHING NUMBER

Section 2836.3 of the Business and Professions Code requires that the nurse practitioners who wish to furnish drugs and/or devices pursuant to Section 2836.1 have a Board issued furnishing number. The number is renewable at the time of the applicant's registered nursing (RN) license renewal. To be eligible for the furnishing number, the board certified nurse practitioner must have completed a Board approved pharmacology course and a minimum of 520 hours of physician supervised experience in furnishing drug and/or devices. These hours may be accumulated during a period of time that is not less than six (6) months (minimum of twenty-four (24) weeks).

APPLICATION PROCESS

For applicants who completed supervised furnishing experience in California, please provide the following:

- Nurse Practitioner Furnishing Number Application form completed by the applicant and \$50.00 application fee. **Physician supervised furnishing experience completed prior to certification as a nurse practitioner will not be accepted.**
- Verification of Physician Supervised Furnishing Experience form completed by the supervising physician.
- Advanced Pharmacology Course Verification form completed by the academic program or continuing education (CE) provider

For applicants who completed supervised experience outside of California, in addition to the items noted above, you must also provide the following:

- A copy of the procedures/protocols AND collaborative agreement set in place by the supervising physician that allowed the nurse practitioner to use their prescriptive/furnishing authority in the state where the supervised prescriptive/furnishing experience was completed.
- A copy of that State's rules/regulations regarding prescriptive/furnishing authority for nurse practitioners.

Falsification of information on the application is a violation of the Nursing Practice Act and may result in not only denial of the issuance of the furnishing number, but also in Board disciplinary action against the applicant's registered nursing license.

MANDATORY REPORTER

Under California law each person licensed by the Board of Registered Nursing is a “Mandated Reporter” for child abuse or neglect purposes. Prior to commencing his or her employment, and as a prerequisite to that employment, all mandated reporters must sign a statement on a form provided to him or her by his or her employer to the effect that he or she has knowledge of the provisions of Section 11166 and will comply with those provisions.

California Penal Code Section 11166 requires that all mandated reporters make a report to an agency specified in Penal Code Section 11165.9 [generally law enforcement agencies] whenever the mandated reporter, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter must make a report to the agency immediately or as soon as is practicably possible by telephone, and the mandated reporter must prepare and send a written report thereof within 36 hours of receiving the information concerning the incident.

Failure to comply with the requirements of Section 11166 is a misdemeanor, punishable by up to six months in a county jail, by a fine of one thousand dollars (\$1,000), or by both imprisonment and fine.

For further details about these requirements, consult Penal Code Section 11164, and subsequent sections.
