

THE THERAPY FORM

PLEASE READ: As required per a Decision and Order by the Board of Registered Nursing, the probationary nurse is mandated to participate in therapy. The registered nurse has selected you as their mental health professional for on-going therapy. This summary is necessary to determine if the registered nurse is in compliance with his/her probationary requirements, and is capable of safe and competent registered nurse practice. Reports are due throughout the probationary term as long as the therapy is required by you. The registered nurse **MUST** continue in the recommended treatment program until you recommend that the treatment be modified or discontinued.

The evaluator shall not have a financial relationship, personal relationship, or business relationship with the licensee within the last five years. The evaluator shall provide an objective, unbiased, and independent evaluation.

The probationary RN must provide you with a copy of their Decision and Order, which includes the Decision and the Accusation.

Please answer the following questions:

1. Have you read the Decision and Order including the Accusation? **Circle One: Yes No**
