GENERAL INSTRUCTIONS AND APPLICATION REQUIREMENTS FOR PUBLIC HEALTH NURSE (PHN) CERTIFICATION

GENERAL INSTRUCTIONS

Pursuant to Section 2818 (a) of the Business and Professions Code the Legislature recognizes that public health nursing is a service of crucial importance for the health, safety, and sanitation of the population in all of California's communities. These services currently include, but are not limited to:

- ◆ Control and prevention of communicable disease.
- ◆ Promotion of maternal, child, and adolescent health.
- ◆ Prevention of abuse and neglect of children, elders, and spouses.
- ◆ Outreach screening, case management, resource coordination and assessment, and delivery and evaluation of care for individuals, families, and communities.

In addition, Section 2818 (c) states that no individual shall hold himself or herself out as a public health nurse or use a title which includes the term "public health nurse" unless that individual is in possession of a valid California public health nurse certificate issued pursuant to this article.

I. GENERAL APPLICATION REQUIREMENTS

Public Health certification eligibility requires the possession of an active California registered nurse (RN) license (California Code of Regulations, Section 1491).

If you do not possess an active California RN license and have never applied for a California RN license, an Application for California RN Licensure by Endorsement/Examination must also be submitted. If you have had a permanent California RN license, you must either renew or reactivate the California RN license.

The Public Health Nurse Application fee is an earned fee; therefore, when an applicant is found ineligible the application fee will not be refunded. Processing times for certification may vary, depending on the receipt of required documentation. Processing a Public Health Nurse Certification application indicating prior disciplinary action(s) and/or voluntary surrender(s) may take longer. A pending application file is not a disclosable public record; therefore, an applicant must sign a release of information before the Board of Registered Nursing will release information relating to the PHN application to the public, including employers, relatives or other third parties. Once you are certified, your address of record must be disclosed to the public upon request.

II. NAME AND/OR ADDRESS CHANGES

California Code of Regulations, Section 1409.1 requires that you notify the Board of Registered Nursing of all names and address changes within thirty (30) days of any change. You may call the Board of Registered Nursing regarding the change of address of record. If you have changed your name, please submit a letter of explanation along with legal documentation of the name change to the Board. Examples of acceptable forms of legal documentation are birth certificate, marriage certificate, divorce decree and/or court documents, social security card or passport. A copy of a driver's license is not acceptable.

GENERAL INSTRUCTIONS – (continued)

III. U.S. SOCIAL SECURITY NUMBER, INDIVIDUAL TAXPAYER IDENTIFICATION NUMBER & TAX INFORMATION

Disclosure of your U.S. Social Security Number or Individual Taxpayer Identification Number is mandatory. Section 30 of the Business and Professions Code and Public Law 94-455 (42 USCA 405 (c)(2)(C)) authorize collection of your U.S. Social Security Number or Individual Taxpayer Identification Number. Your U.S. Social Security Number or Individual Taxpayer Identification Number will be used exclusively for tax enforcement purposes, for purposes of compliance with any judgment or order for family support in accordance with Section 11350.6 of the Welfare and Institutions Code, or for verification of licensure, certification or examination status by a licensing or examination entity which utilizes a national examination where licensure is reciprocal with the requesting state. **If you fail to disclose your U.S. Social Security Number or Individual Taxpayer Identification Number, your application for initial or renewal license/certification will not be processed.** You will also be reported to the Franchise Tax Board, which may assess a \$100 penalty against you. Questions regarding the Franchise Tax Board should be directed to (800) 852-5711.

ALERT: Effective July 1, 2012, the Board of Registered Nursing is required to deny an application for licensure and to suspend the license/certificate/registration of any applicant or licensee who has outstanding tax obligations due to the Franchise Tax Board (FTB) or the State Board of Equalization (BOE) and appears on either the FTB or BOE's certified lists of top 500 tax delinquencies over \$100,000. (AB 1424, Perea, Chapter 455, Statutes of 2011).

IV. REPORTING PRIOR DISCIPLINE AGAINST LICENSES/CERTIFICATES

All disciplinary action against an applicant's public health nurse, registered nurse, practical nurse, vocational nurse or other health care related license or certificate must be reported.

Failure to report prior convictions or disciplinary action is considered falsification of application and is grounds for denial of licensure/certification or revocation of license/certificate.

When reporting prior disciplinary action, **applicants are required to provide a full written explanation of:** circumstances surrounding the disciplinary action(s) and the date of or disciplinary action(s). For disciplinary proceedings against any license as a RN or any health-care related license; include copies of state board determinations/decisions, citations and letters of reprimand.

To make a determination in these cases, the Board considers the nature and severity of the offense, additional subsequent acts, recency of acts or crimes, compliance with court sanctions, and evidence of rehabilitation.

The burden of proof lies with the applicant to demonstrate acceptable documented evidence of rehabilitation. Examples of rehabilitation evidence include, but are not be limited to:

- Recent, dated letter from applicant describing the event and rehabilitative efforts or changes in life to prevent future problems or occurrences.
- Recent and signed letters of reference on official letterhead from employers, nursing instructors, health professionals, professional counselors, parole or probation officers, Support Group Facilitators or sponsors, or other individuals in positions of authority who are knowledgeable about your rehabilitation efforts.

It is the responsibility of the applicant to provide sufficient rehabilitation evidence on a timely basis so that a certification determination can be made.

An applicant is also required to immediately report, in writing, to the Board any disciplinary action(s) which occur between the date the application was filed and the date that a California Public Health certificate is issued.
