Homestead Schools, Inc.  
Associate Degree Nursing Program

Dear Program Representative:

The California Board of Registered Nursing (Board), at its Board meeting on May 28-30, 2025, agendaized the following item at the April 17, 2025, Education/Licensing Committee (ELC) meeting:

8.1 Discussion and possible action regarding ELC recommendations to the Board on agenda items presented at the April 17, 2025, committee, including:

Approval of the proposed curriculum revisions and clinical facilities and to acknowledge the receipt of program progress reports.

The Board voted to accept the ELC recommendation to acknowledge program progress report.

Homestead Schools Inc. came to the Board with a feasibility study in November 2023. At that time, the Board deferred action and requested Homestead Schools to consider a location outside of the Los Angeles and Orange County region due to clinical placement concerns. Homestead Schools is requesting a one-year extension to allow additional time to explore options. They plan to return to ELC in October 2025.
