Imperial Valley College
Associate Degree Nursing Program

Dear Approved Nursing Program Director:

The California Board of Registered Nursing (Board), at its Board meeting on November 20-21, 2024, agendized the following item from the October 17, 2024, Education/Licensing Committee (ELC) meeting:

8.2 Discussion and possible action regarding ELC recommendations related to substantive change requests (16 CCR § 1432).

The Board voted to accept the ELC recommendation to accept substantive change(s) requested by an approved program and approve the enrollment increase for Imperial Valley College Associate Degree Nursing Program with an enrollment pattern of:

- Total enrollment increase: 60 students in 2025 and 10 additional students in Spring of 2026.
 - Spring 2025: Increase of 20 students for a total of 50 students enrolling in the Spring.
 - Fall 2025: Increase of 40 students for a total of 90 students enrolling every Fall thereafter.
 - Spring 2026: Increase of 10 students for a total of 60 students enrolling every Spring thereafter.
- Total enrollment in 2025 would be 140 students and a total of 150 students annually after Spring of 2026.
