Agenda Item Summary

AGENDA ITEM: 6.1
DATE: November 19-20, 2025

ACTION REQUESTED: Discussion and possible action: Procuring nurse support group facilitation services through a third-party vendor

REQUESTED BY: Patricia “Trisha” Wynne, Chair of the Enforcement, Investigation, and Intervention Committee (EIIC)

BACKGROUND: After the National Council State Boards of Nursing 2025 Discipline Case Management conference provided to all Boards of Nursing on April 29-30, 2025, Board staff who attended discussed issues with consistency and compliance with the current management of the Nurse Support Groups and their facilitators. During the August 2025 Board meeting and the October 2025 EIIC meeting Elizabeth Tempe, M.Ed. of Birchwood Solutions presented and shared new ideas and tools that could assist in the oversight of Nurse Support Group Management. The EIIC made a recommendation to the Board to discuss procuring nurse support group facilitation services to help ensure consistency and compliance.
