(f) Clinical Preceptor.

(1) A clinical preceptor in the nurse practitioner education program shall:

(A) If the clinical preceptorship is being provided in California, the preceptor shall  
hold an active, valid, California license to practice his or her~~their~~ respective  
profession and demonstrate current clinical competence.

(B) If the clinical preceptorship is being provided outside of California, the  
preceptor shall hold an active, valid license to practice their respective profession  
in the state where the clinical preceptorship is being performed in and demonstrate  
current clinical competence.

(~~B~~C) Participate in teaching, supervising, and evaluating students, and shall be  
competent in the content and skills being taught to the students.

(\* \* \* \*)

(g) Students shall hold either an active, valid California registered nurse license, or an  
active, valid registered nurse license in the state they are receiving their preceptorship  
in, to participate in nurse practitioner education program clinical experiences.

(h) Nurse Practitioner Education Program Curriculum.

(\* \* \* \*)

(7) The program may be full-time or part-time, and shall be consistent with standards as established by ~~The National Organization of Nurse Practitioner Faculties (NONPF)~~ in “Nurse Practitioner Role Core Competencies ~~Content~~” (2017~~2022~~) or the American Association of Colleges of Nursing (AACN) in “Criteria for Evaluation of Nurse Practitioner Programs” (2016), which is hereby incorporated by reference. The program must also include theory and supervised clinical practice.
